

IRANIAN JOURNAL OF ANIAML SCIENCE
(Iranian Journal of Agricultural Sciences)

Vol. 46, No. 2, Summer 2015

Effects of stiking assa (<i>Ferula assa foetida</i>) powder on performance, immunity status and cecal microbial population of broiler chickens: Mohammad Shadmani, Farzad Bagherzadeh Kasmani, Hamid Reza Mirzaee and Mehran Mehri	1
Genome-wide survey of signature of positive selection in Khuzestani and Mazandrani buffalo breeds: Mahdi Mokhber, Mohammad Moradi Shahrababak, Mostafa Sadeghi, Hossein Moradi Shahrababak and John Williams	2
Effect of bovine serum albumin on Caspian horse sperm quality during cooling: Vahid Ghadimi and Mehdi Zhandi	3
Effect of inclusion of Shirazi thyme (<i>Zataria multiflora Boiss</i>) aqueous extract in drinking water on performance and immune responses of broilers: Neda Farzanfar, Mehrdad Mohammadi and Mohammad Roostaie Ali-Mehr	4
Evaluating economic losses associated with delayed conception in dairy cows: Ali Rezaee Roodbari, Hamid Kohram and Isa Dirandeh	5
Effects of graded levels of creatine monohydrate and protein in diets on performance and meat quality of broilers: Arsalan Nabati, Seyed Davood Sharifi and Shokoufe Ghazanfari	6
The effects of feeding high levels of L-arginine at the starter period on meat production and its quality, and blood parameters in broiler chicks: Marziyeh Ebrahimi, Ahmad Zare Shahneh, Mahmoud Shivazad and ZARBAK HT Ansari Pirsaraei	7
Genetic and phenotypic analysis for somatic cell score in Iranian Holstein dairy cattle: Parisa Ghasemi Khani, Heydar Ghiasi and Ali Sadeghi-Sefidmazgi	8
Effect of eCG, PGF₂α and GnRH hormones on ewes' reproductive performance in breeding season: Abolhassan Sadeghi Panah, Reza Masoudi, Hamid Reza Naejjan and Abbas Akbari-Sharif	9
The effect of increasing markers density on the accuracy of genomic evaluation using rrBLUP: Hadi Atashi and Narjes Gorgani-Firouzjah	10
Effect of fennel by-product on performance of growing lambs and gas production parameters of their Diets: Sousan Zolfaghari Moheb, Farshid Fatahnia and Daryoush Alipour	11
The Effect of Multi Enzyme on Performance and Nutrients Digestibility in African Ostrich (<i>Struthio camelus var. domesticus</i>) at 14-months Age: Iman Haj Khodadi, Hosseinali Ghasemi, Mehdi Khodae Motlagh, Amir Hossein Khalat Abadi Farahani and Mohammad Hossein Moradi	12
